

# 2004 Cayenne S

# \$34,900

Carmona Red Metallic with Havana/Sand Beige interior, both in near perfect condition. This was my first Cayenne to drive and it's pretty impressive. How could a vehicle this large handle so well? The weight just seems to disappear. And a ton of torque too. Not all colors work on the the Cayenne but this Carmona Red does. It's just beautiful. The Cayenne comes so loaded with standard features we can't list them all but the options include heated/memory seats, Bose sound, aluminum and burr walnut accents. A Cayenne in beautiful condition. Factory warranty applies through 7/08 or 50k miles.
