

2003 911 Turbo Coupe

\$65,900

Black with black, full, draped leather interior in fantastic condition. A one owner, all original paint, super sharp looking turbo with a very unique interior treatment- dash vents and speaker grills in aluminum appearance. A very subtle touch but just the right enhancement to the black all leather interior. You've got to admit, black/black is a great choice for a turbo and this one looks like it all. Non-stop power and torque make this car a blast to drive but at the same time, very well behaved with all wheel drive and Porsche Stability Mgmt traction control. Options abound including navigation, heated/power seats, Xenon headlights, door entry in stainless steel, instrument dial in aluminum, and the Bose sound system. Simply a beautiful turbo with only 23,750 miles. Fully serviced with fresh fluids and filters. We spend our money on service so you don't have to. No one provides pre-owned Porsche Peace of Mind like Weissach Autohaus !!
