

# 1987 911 Carrera Cabriolet

\$26,900

Grand Prix White with Burgundy interior and factory white Fuch wheels. What a beautiful 911 cab this car is. Well taken care of and fully serviced, this car is ready to provide reliable 911 fun and performance. The Carrera cars from '84 to '89 are well respected for their classic good looks and their mechanical robustness. This car in white truly speaks to the 80's period of prosperity. And being an '87 it has the very desirable G50 transmission for improved shifting, reliability and performance. It also has the manual top, vastly improving the look of the folded top, reducing weight and further improving the overall reliability of the car. This is an excellent example of an 80's Carrera.

This vehicle is *Weissach Certified* for quality having successfully completed the WEISSACH 96 Point Inspection as performed by Porsche trained technicians at Daniel Jacobs LLC. *Weissach Certified* assures the buyer of vehicle quality and reliability and is backed the Weissach Warranty. And keep in mind that your WEISSACH WARRANTY is valid anywhere in North America, not just in Oxford, CT. *Trade-ins of all kinds are always welcomed at Weissach Autohaus.*
