

2003 Boxster

\$30,900

Lapis Blue with Savanna Beige interior and Metropol Blue top in this super clean and well cared for Boxster. It's great to see a car like this, one that was clearly owned by a true fan of the Porsche marque (including passing on the Porsche Certificate of Authenticity). Options include 17" Boxster wheels (the proper size for the Boxster suspension), PSM Stability Mgmt, and the windstop deflector. You'll want to see this car in the sun as the Lapis Blue paint is in fantastic condition. 2003 is also a great year as it was the first year for the glass rear window (not to mention a glovebox and a cupholder!). This Boxster also sports 4 new tires and has already had the 30k service completed. We've done all the hard work, now it's up to you to do the easy part and bring it home! This vehicle is *Weissach Certified* for quality having successfully completed the **WEISSACH 96 Point Inspection** as performed by Porsche trained technicians at Daniel Jacobs LLC. *Weissach Certified* assures the buyer of vehicle quality and reliability and is backed the Weissach Warranty.
