

1995 911 C2 Coupe

\$36,900

Polar Silver with a shine that won't quit, perfectly complemented by the beautiful BBS (!) 18" two-piece wheels. Polar Silver is as easy to take care of as Arctic Silver but the touch of blue tint makes it completely unique. Set off nicely by the deep blue interior (which is also in great condition). Even the mileage of 44k is spot on. Performance is right where it needs to be with M030 Sport running gear, locking diff, and Auto LSD. Other options include cruise control, sunroof and the best stock radio Porsche ever used (CR1 made by Alpine). With only 2 owners since new this car has been well preserved. This car needs to be seen and driven to be appreciated.

Fully serviced with new tires, fresh fluids and filters because we spend our money on service before the sale so you don't have to spend yours after the sale. As always, no one provides Pre-owned Porsche Peace of Mind like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes 6 month/6000 mile Weissach Warranty.
