

2004 911 Silver Anniversary C2 Coupe

\$47,900

GT Silver Metallic with full leather interior in Natural Grey. The Silver Anniversary Edition was a limited production model (1963 made) produced in 2004 to celebrate the 40th year of the 911. It is by far the best looking 911 narrow body available and came completely loaded with options including polished wheels, AeroKit sideskirts, "S" type front end, 40th Anniversary nomenclature, Silver console, Bose sound and CD changer, rear wiper, Xenons, PSM, Navigation and heated power seats. And best of all, it came with the X51 Powerkit bringing hp to 345 hp and the sport suspension. Both interior and exterior are in outstanding condition in this one owner, meticulously kept car. How about an owner that kept the inside of the wheels sparkling and retained the original Porsche matching luggage and wallets! With only 35k miles, this car is the value of a lifetime. And yes, own this car and you'll forget all about the money you lost in the stock market.

Fully serviced with fresh fluids and filters because we spend our money on service before the sale so you don't have to spend yours after the sale. As always, no one provides Pre-owned Porsche Peace of Mind like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes 6 month/6000 mile Weissach Warranty.
