

1987 911 Turbo coupe

\$38,900

Black with Black interior in a classic styled 911 Turbo, the one from that poster you had when you were a kid. An eighties turbo will not impress you with its suite of modern conveniences but one look at the presence of this car and you won't even be able to spell A/C. And what could be more fun than the delivery (or is that onslaught?) of power from a big single turbo? If this car speaks to you in some elemental language then you should come take a look because it's a wonderfully clean example of a days gone by turbo. And it has the Dan Jacobs' Good Housekeeping Seal of Approval.

This Porsche is fully prepared and serviced with fresh fluids and filters. As always, no one provides you and your Porsche with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes Weissach Warranty.
