

2005 Boxster

\$29,900

Arctic Silver with Stone Grey interior, all in beautiful condition. And why wouldn't it be with only 9000 miles? If you've never driven a Boxster you are missing a fantastic car. Especially in the new body style with more horsepower, a stiffer chassis and even better engine sound. It's everything a sports car could ever hope to be. No wonder it beats all the others in the car mag comparisons. This one is nicely optioned with Xenon headlights and washers, power/heated Sport seats, 19" Carrera Classic wheels, windstop, Bose sound and the carbon fiber interior accents. It just doesn't get any better than this!
