

1982 BMW 633 CSi Coupe

\$13,900

A classic BMW coupe, looking as good today as it did in 1982. This BMW is fully serviced and updated and ready to go. Everything on the car works (even the clock!) making it one of the nicest condition cars of its type anywhere, especially with the somewhat rare 5 speed transmission. The all original paint is in beautiful condition, the interior is virtually new in appearance and the mechanicals are all up to date. It has no rust and runs great with AC that will keep up with any summer heat. Recent service includes new 17" tires, plugs and oil, new shocks, new tie rods, and a new water pump. Updates and enhancements include a \$2000 Alpine AM/FM/XM/CD stereo with new speakers and subwoofer (includes original radio), 3M 50% tint and 17" Beyern spoke wheels. On top of all that, it only has 79,750 miles. For this bulletproof BMW engine and transmission, that's barely broken in! If you are looking for a clean and reliable classic BMW coupe, this is it. It looks and drives that good. PPI report and more photos available upon request.
