

2007 Mercedes CLS550

\$37,900

Arctic White with black leather interior in the best looking 4 door in the car world. Having driven this car I can attest that it gets compliments everywhere it goes. How could it not with phenomenal looks like this? The condition inside and out is outstanding. And with 382 hp and sport selectable active suspension it's a blast to drive. As expected, it's highly equipped with premium 18" wheels, heated/ventilated/memory seats, 6 airbags, Navigation, Harmon Kardon Sound with in-dash CD changer and Satellite radio, Xenons, sunshades, keyless ignition, rain sense wipers, TPMS and a whole lot more. A great looking sport-luxury Mercedes that still gets 20mpg highway. Be prepared to be impressed. This car carries the Weissach Warranty in addition to the factory warranty through Jan 2011. As always, no one provides your car with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). And keep in mind that Trade-ins of all kinds are always welcomed at Weissach Autohaus.
