

1995 Carrera Cabriolet

\$39,900

Polar silver and Metropol Blue interior and top in fantastic condition. It only has 31,000 miles but it looks like it has 5000 miles- it's that well kept. Factory options include locking and limited slip differential, power left seat, cruise control, 17" cup wheels, and the windstop. And then there is the sound system. It's a Sony head unit and CD changer with high power Macintosh amplifier and high end speakers all the way around. Without question, a 911 never sounded so good. But we recommend leaving the volume low so you can hear the sweet sound of the sport exhaust system and the K and N air intake. This car makes music from every possible direction. Plus, the handling is spot on with Bilstein shocks and H&R springs. Just the right settings for a ride that is sporting but never harsh. In summary, a super low mileage 993 cab in spotless condition with just the right enhancements. Don't forget to read the list of service just performed. This Porsche is fully prepared and serviced with fresh fluids, filters, brake flush, all new tires, new belts with 993 pulley upgrade, new hood and engine lid shocks, 30k service, new steering boots and a recently replaced top. Let's just say it doesn't need anything! As always, no one provides your Porsche with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes 6 month/6000 mile Weissach Warranty. This vehicle is Weissach Certified for quality having successfully completed the **Weissach 96 Point Inspection** as performed by Daniel Jacobs LLC, renowned Independent Porsche Specialist. Weissach Certified assures the buyer of vehicle quality and reliability and is backed the Weissach 6 month/6k Power Train Plus Warranty.
