

2005 MINI Cooper

\$13,900

Pure Silver Metallic with two tone Gray interior and black top and mirrors, all in beautiful condition. Nicely optioned with difficult to find CVT automatic transmission, A/C, tire pressure monitor system, rear defroster, pano roof, CD player and a great sounding radio. These cars are a blast to drive but still great on gas. And a surprisingly large interior means it can be economical and a comfortable commuter. Includes 4 Pirelli snow tires with only 5000 miles of use. At only 32,750 miles this is an outstanding car.

This car has passed the Weissach Autohaus inspection and carries the Weissach Warranty. As always, no one provides your car with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)).
