

2005 Boxster S

\$35,900

Seal Grey with black interior, all in outstanding condition. Why wouldn't it be with only 6800 miles !! Gen 1 Boxsters are phenomenal sports cars. Gen 2 Boxsters were even better in all possible respects. A Gen 2 Boxster S is literally as good as it gets. We try not to say it too loudly but, these cars are more fun to drive and more athletic than a Carrera. It's just that good of a sports car. Options on this spotless car include heated seats, Sport Chrono Package, Xenon lights and washers, Bose Sound System, Auto climate control and the windstop- a perfect options list. A beautiful, low mileage example of the best open top sports car in existence.
