

# 2006 Boxster S

# \$36,900

Arctic Silver with black interior, all in beautiful condition as expected for a Boxster S with only 14,000 miles? If you've never driven a Boxster you are missing a fantastic car. Especially in the new body style with more horsepower, a stiffer chassis and even better engine sound. There is nothing like the sound of a Boxster S on throttle- it just howls! It's no wonder the Boxsters and Caymans beat all the others in the car mag comparisons. This one is nicely optioned with Xenon headlights and washers, heated seats, windstop, and the Bose sound system. There is no car more fun to drive than this one. This Porsche is fully prepared and serviced with fresh fluids and filters. As always, no one provides your Porsche with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes our 6 month/6000 mile Weissach Warranty and the factory warranty through 7/2010.
