

1991 911 Carrera C2 Cabriolet

\$21,900

Ocean Blue Metallic with beige interior. A very well kept car that is fully serviced and looking great. Don't let the miles fool you this is a very nice car inside, outside and mechanically. All new service at Dan Jacobs LLC includes new fluids and all new tires. Porsche aficionados know that the 964s (1989-1994) were probably the best built Porsche cars of all time with an engine with way more oomph than the 80s cars. Not to mention better brakes, suspension and heating/air conditioning. It's the first 911 that could truly be an everyday Porsche. A classic, air cooled Porsche for a fraction of the price of the later 993 cars. This one has already had the required head gasket service so it's all dry and ready to go. You'll be impressed when you see this one. A super solid car at the right price. This Porsche is offered for sale under our Weissach Autohaus' Broker Services Program allowing a privately owned Porsche to be sold by Weissach Autohaus. As a requirement of the program, this car has received a full Pre-Purchase Inspection from Daniel Jacobs LLC, renowned Independent Porsche Specialist. Results of the PPI are available upon request. Weissach Autohaus Broker Services Program assures the buyer that the vehicle has been thoroughly inspected and evaluated upon arrival. No Weissach Warranty is included with the purchase of this vehicle. As always, Trade-ins of all kinds are always welcomed at Weissach Autohaus, even on brokered cars.
