

1987 911 Carrera Coupe

\$23,900

Black with black interior in a stunning G50 coupe, one with only 62,000 miles. If you've been waiting for the right 80s coupe to come along we've got great news for you. Recent \$5500 in service means this car is ready for use and well sorted. Values on the post '86 cars have been rising steadily so now is the time to lock in a very, very nice one with super low miles and in the perfect color combination. Although the owner had intended to track this car and had the Recaros installed, it was only used twice before running out of available time. It has no other track modifications and was not set up for track use. The limited amount of track time had no impact on this car. One look will provide assurance that this is a street car. A great street car. Recent service includes new tires, new battery and the full 60k service including new fluids, plugs, belts and filters. This Porsche is offered for sale under our Weissach Autohaus' Broker Services Program allowing a privately owned Porsche to be sold by Weissach Autohaus.
