

1995 911 Carrera Cabriolet

\$38,900

A beautiful triple black cab with only 33,000 miles. Everything is in great condition- exterior, interior and the top. While down 10 hp from the '96 to '98 911, the '95 has the advantage of being pre- OBD II. This cab looks great and runs even better after receiving a full service. It is ready to provide performance and summer fun, especially with the new Alpine sound system with an iPod connection. The single option is the limited slip differential, typical of early 993 cars. If you're drawn to the final evolution of the original 911 this is a nice one. This Porsche is fully prepared and serviced with fresh fluids and filters. As always, no one provides your Porsche with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes 6 month/6000 mile Weissach Warranty. This vehicle is Weissach Certified for quality having successfully completed the **Weissach 96 Point Inspection** as performed by Daniel Jacobs LLC, renowned Independent Porsche Specialist. Weissach Certified assures the buyer of vehicle quality and reliability and is backed the Weissach 6month/6k Power Train Plus Warranty. And keep in mind that your **Weissach Warranty** is valid anywhere in North America, not just in Oxford, CT. *And keep in mind that Trade-ins of all kinds are always welcomed at Weissach Autohaus.*
