

2002 Boxster

\$24,900

This is the Gen 1 Boxster opportunity of the year. Ok, the century. An incredibly low mileage, one owner, Arctic Silver Boxster with black interior and grey top in as new condition. What's the value of low mileage? Assume the average 2002 Boxster has about 45k miles on it. This car has 6000 miles on it meaning you can put on 6k miles per year for 6 years and still have a low mileage Boxster. It's literally free mileage for 6 years! Porsche value is all about condition and mileage so this Boxster has value written all over it. Plus, it's very highly optioned with heated seats and PSM (both very rare in Boxsters), windstop, 18" turbo wheels, CDR 220 CD radio, cruise and CD storage. It's a beautiful car in every way. And don't even get me started how great the Boxsters are. The best sports cars in the world! This Porsche is fully prepared and serviced with fresh fluids and filters, all new tires and a new RMS seal. As always, no one provides your Porsche with *Pre-owned Peace of Mind* like Weissach Autohaus! Just ask our customers ([see our Testimonials](#)). Includes our 6 month/6000 mile Weissach Warranty. This vehicle is Weissach Certified for quality having successfully completed the [Weissach 96 Point Inspection](#). Weissach Certified assures the buyer of vehicle quality and reliability and is backed the [Weissach Warranty](#), valid anywhere in North America, and not just in Oxford, CT. *And keep in mind that Trade-ins of all kinds are always welcomed at Weissach Autohaus.*
