

# 2004 40th Anniv. 911 Cpe #1216 Fixed Price at \$45,000

GT Silver with Natural Leather interior with 12k miles and in spotless condition. First, let's discuss what this car is. In 2004, Porsche made 1963 special 40th Anniversary coupes to celebrate the 40 year legacy of the 911. They began by giving it the highest performance options they had including x51 engine with 345hp, M030 sport suspension, locking diff and sport seats. Then they gave it a beautiful, one-of-a-kind appearance with Aerokit sideskirts, C4S bumper, polished 18" Carrera wheels and special "911" nomenclature. Inside it received full leather including vents, painted center console, "911" door entries and series number plaque. The result is the best performing 911 short of a GT3. And unlike a GT3, it's a sports car that is luxurious, comfortable and a pure blast to drive all day long. If you need more options it also has Xenons and washers, heated seats, CD changer and PSM. In summary, a limited production 911 that is perfect in appearance, style, cache and performance. There is simply no greater value 911 in existence than the 40th Anniversary, a fact that will surely aid future values. With only 12k miles and in spotless condition, this is the finest example we've seen. This Porsche is fully prepared and serviced with fresh fluids and filters.
